

Lotus Light Community Center | COVID-19 Health Guidelines

COVID-19 protocols based on CDC Community (Risk) Levels plus a new safety protocol*

Vaccination encouraged but not required

Some people are not or cannot be vaccinated

Some are immunocompromised, or live with or care for someone who is

Masks protect others as well as ourselves. We want everyone to feel welcome. During periods of non-mandatory masking, we hope all groups will gladly mask if it helps another person attend. Please speak up if you can only attend masked activities. Email: info@lotuslightcenter.org

Many activities are online. Check the calendar (posted on the door and website) to find online activities.

If ill, please attend online until well & testing COVID negative. If exposed to COVID, attend online. Only rejoin in person when you test negative 5 days after exposure.

- **New Safety Protocol** —  Sanitize Space After Each Use at All Risk Levels. Kitchen is closed at this time. For water, please use disposable cups or bring your own.

Teachers / Group Leaders may go unmasked at all risk levels
Yoga classes may go unmasked with social distancing in place
